To All Dranetz Customers and Suppliers,

We are excited to inform you that we are moving our factory and headquarters to a new, modern facility about 1 mile away. We remain in Edison, NJ USA and expect to be fully operational in our new facility during the first week of November.

Our new address is:

Dranetz Technologies
191 Talmadge Road
Edison, NJ 08817

Please change your records accordingly.

Our office phone numbers, and email addresses will remain the same. The only change is the address.

We have notified the shipping carriers and postal service of our move, so packages already in transit should be forwarded to our new address.

We look forward to serving you from our new facility. Please feel free to reach out to us with any questions.
